National Pastors Supported

DEAR SUPPORTER,

KITALE, KENYA JULY 18TH – AUGUST 1ST, 2016

At the age of 12, the Lord called me to full-time ministry. At 15, after my father and I nearly lost our lives from a tragic accident, God put a fire in my bones to reach unreached, unengaged people for Jesus Christ. Ever since then, that fire has only grown stronger. Because of God's calling on my life, there is only one thing I have a burning passion to do: Reach the unreached and equip others to do the same. I want to start doing that now.

OBJECTIVE IN KENYA:

Reaching Souls Intl. is an outstanding ministry used by God to strategically reach millions of people in Africa on an annual basis! This is the organization that God has given me the privilege to work alongside in Kenya! In 2015 alone, the Lord allowed Reaching Souls Intl. to see 7,969,139 salvation decisions, plant 4,908 new churches, and baptize 1,519,324 precious new believers! The goal for 2016 is to add 281 new African National Missionaries for a total of 2,000 men in the field. When RSI has 2,000 National Missionaries in the field, they project based on past and current numbers that it will result in **11 million** salvation decisions each year!

In Kenya we have the opportunity to serve, support, and teach some of these National Missionaries. We also have the opportunity to evangelize publically and personally alongside these National Missionaries all throughout Kenya.

THE STRATEGY:

- **Train and Equip Pastors:** We will spend four days in a classroom environment teaching African pastors valuable truths from the Word of God. We will give these pastors practical resources (bibles, bikes, curriculum, etc.) that have strategic purpose in them reaching those who do not know Christ (2 Timothy 2:2).
- **Evangelize Personally and Publically:** We will spend three days doing Open Air Meetings working with African pastors and American missionaries spread-out in teams to preach the gospel throughout Kenya. For truly faith comes by hearing.
- **To the Ends of the Earth:** We will witness one-on-one, preach in open air settings, and see *hundreds* of people give their lives to Jesus Christ! For many of these people, this will be their first time to hear the gospel (Acts 1:8)!

Because we will be training, equipping, and working alongside local pastors, this trip will have long-term impact for the Kingdom of God. This is not a trip where the strategy is a short lived boost, **this is a country changing endeavor.**

THE CALL:

“How then shall they call on Him in whom they have not believed? And how shall they believe in Him of whom they have not heard? And how shall they hear without a preacher? And how shall they preach unless they are sent?” (Romans 10:14)

James 2:5 says, “Listen, my beloved brothers, has not God chosen those who are poor in the world to be rich in faith and heirs of the kingdom?” I have a conviction and a determination to do anything necessary to reach those who do not know Christ. This is my life’s mission and calling.

THE NEED:

You have the opportunity to take part in reaching the unreached and equipping others to do the same! In Kenya, people are ready to hear the gospel. What they need is laborers to go into the harvest. God is sending African National Missionaries to reach their own people. This summer, God is sending a team of American Missionaries, for which I am one, to support and teach those who are diligently serving God in Africa, and be a voice of truth spread all among Kenya for those who do not know Christ.

FINANCIAL DETAILS:

\$1000 has been provided for my trip by generous donors so far. That leaves **\$3,500** remaining to be fully funded for this trip to Kenya. **Will you give to support the long-term investment of souls being saved in Kenya and throughout Africa?**

TO GIVE:

There are four easy methods to invest in this endeavor:

1. **Pray:** Please pray that God will fill the National Missionaries with the Holy Spirit, and that He would save the souls of men and women in Africa through these efforts. Your prayer and encouragement is the most valuable resource you could offer for myself and the team going to Kenya. (If you would like to send specific prayers and encouragements, visit www.sendjustin.com/contact)
2. **Give:** You can send a check to Reaching Souls Intl. designated to “Justin Werner Africa” OR simply visit www.sendjustin.com/give for all the details you need to give toward this trip!
3. **Follow:** Read/sign-up for my weekly blog that provides updates throughout this journey at www.sendjustin.com/blog.
4. **Learn More:** Visit www.sendjustin.com for more information.

Although I am trusting the Lord as Provider, I am praying that He works through you to help make it all happen. I’m praying for Great Commission Game Changers. May God be glorified through His Church!

In Christ,

Justin D. Werner
